

Village Board of St Cloud

Tuesday, April 12, 2016

The regular monthly meeting of the Village Board of St. Cloud was called to order at 7:0 pm by President Ryan Gebhart. All board members were present. The minutes of the last meeting were read and a motion was made by Dave Schry and seconded by Tom Tabbert to approve them as read. Motion carried.

Utility Business: Dale reported that the lagoon pump was rewired, but that did not take care of the problem. Vacuum Pump will have to take a look at it. The water leak on Barrett Street was fixed, but Dale will continue to watch the numbers, as he feels there is still a leak elsewhere. The oil was changed in both generators. The valves were not added, as discussed, as they would hang too low. Bolts were changed on all hydrants. Dale will be working with Mike McCoy next week.

At this time the board thanked Mike Born for his 8 years of service on the village board and welcomed Brian Preder as the new trustee. Brian took his oath of office, as well as Scott Bink as fire chief, per the Fire Department audit.

Tony Knoeck from Waste Management was present to discuss the garbage contract. He will be sending the updated costs and cost for fully automated pickup. Larry Rieder presented his preliminary garage plans to the board.

Hwy G (Main Street) plans were discussed. A copy of the map showing electrical and drainage at the park, as well as the ATV ordinance will be sent in. A public meeting will be held in June. Dale is working on repainting the picnic tables at the park. He noted that Riverside Park needed a border along the parking lot to avoid damage to the lawn. Best Plumbing was called in to fix the leaks at the ball park. The Athletic Club to paint the pavilion, the village to buy the paint. The lighting was replaced at the Village garage. Troy to get some prices on Exit and Outside lights for the firehouse.

The ordinance to change the selling times for Class A Beer and Liquor license was rescheduled for next month. A motion was made by Jeff Horn and seconded by Troy Johnson to change it to read 6 am to 10 pm for beer, and 6 am to 9 pm for liquor.

A motion was made by Jeff Horn and seconded by Troy Johnson to ok the following quotes for blacktopping from Fond du Lac County: Recycle Center \$970, Barrett Street \$345; and for grading and gravel for River Road \$970. Motions carried.
