

Spring 2018 Updates

Main Street Reconstruction

As many, or hopefully most, of you already know, the Village has entered into a contract with Fond du Lac County and the Wisconsin DOT to have Main Street reconstructed in 2019 from the Civic Center North to the Northside of the property located at 1601 Main Street. There were two Public Involvement Meetings previously held on the project on October 22, 2015 and October 24, 2016. In general, the major items of work to be completed include storm sewer, grading, base aggregate, concrete curb and gutter, concrete sidewalk, asphalt pavement, pavement marking, and signing. Below is a list of tentative dates in regards to that work:

Project Bid Date – November 13, 2018
Project Anticipated Start Date – April 15, 2019
Project Anticipated Completion Date – August 31, 2019

Besides the general road work, the other local utilities will also be performing work to either relocate or upgrade their facilities. Below is a list of timelines in regards to that work:

Village of St Cloud – Relocate fire hydrants and repair water service shutoffs
Start – Spring 2018 Duration of Work – 30 days
Wisconsin Public Service – Relocate and rebuild natural gas facilities
Start – May 28, 2018 Duration of Work – 60 days
Frontier Communications – Relocate and rebuild telecommunication facilities
Start – Spring 2019 Duration of Work – 90 days
WE Energies – Relocate and rebuild electric power facilities
Start – Spring 2019 Duration of Work – 90 days
