

SEC. 5-2-49 CROSS CONNECTION CONTROL.

- (c) INSPECTIONS. It shall be the duty of the Water Utility to cause inspections to be made of all properties served by the public water system where cross connections with the public water system is deemed possible. The frequency of inspections and re-inspections based on potential health hazards involved shall be established by the Water Utility and as approved by the Wisconsin Department of Natural Resources. The utility may, but is not required to, perform the cross-connection inspection of the owner's property. If, in the opinion of the utility, it is not able to perform the inspection, the property owner must, at their own expense, have the plumbing inspected for cross-connection by a State of Wisconsin Certified Cross-Connection inspector/Surveyor or by a State of Wisconsin licensed plumber.
